

The background of the image is a dark blue space filled with a dense stream of golden particles. These particles form a perspective-driven tunnel that leads towards a bright, glowing orb at the far end. Two golden, particle-based arms emerge from the sides of the tunnel, holding the orb. The particles have a shimmering, metallic texture and create a sense of depth and movement.

WHAT IS **EXPONENTIAL HEALTHCARE?**

Exponential Healthcare is an innovative health and wellness platform offering a turnkey business solution for practitioners seeking whole-person health, well-being, and wellness solutions through virtual care.

The screenshot displays the Exponential Healthcare platform interface. At the top, a yellow notification bubble states: "Great! Your session with Alina Trigubenko is all set to go! Tuesday, March 9, 2021, 8-10:00 pm it is. Please be well!". Below this, the "Sessions" section shows a calendar for the week of April 5-11, 2021. A session titled "Executive training" is scheduled for Tuesday, April 6th, from 11:30 - 12:30 pm. The session details pop-up shows it is a "Group session" that is "Confirmed" with 10 participants. The session link is <https://prof.io/waiting-room>. The phone number for joining is (US) +1 669-900-683. The participants listed are Diego Morata, Sam Heughan, and 8 others. The interface also includes a "Block off time" button and an "Add service" button. In the bottom right corner, there is a video call window showing a man smiling, with a chat window overlaying it. The chat messages are:

- Wesley Massey 12:40: What you are going through is common. You are not alone! From my experience the suggested practice should work.
- Lou Reynolds 12:40: I never shared these feelings with anyone and now I feel so relieved!
- Wesley Massey 12:41: We are always here for you. Follow your plan and we'll discuss progress in the next session.

A "Thank You!" message box is also visible at the bottom of the chat window.

OUR **MISSION**

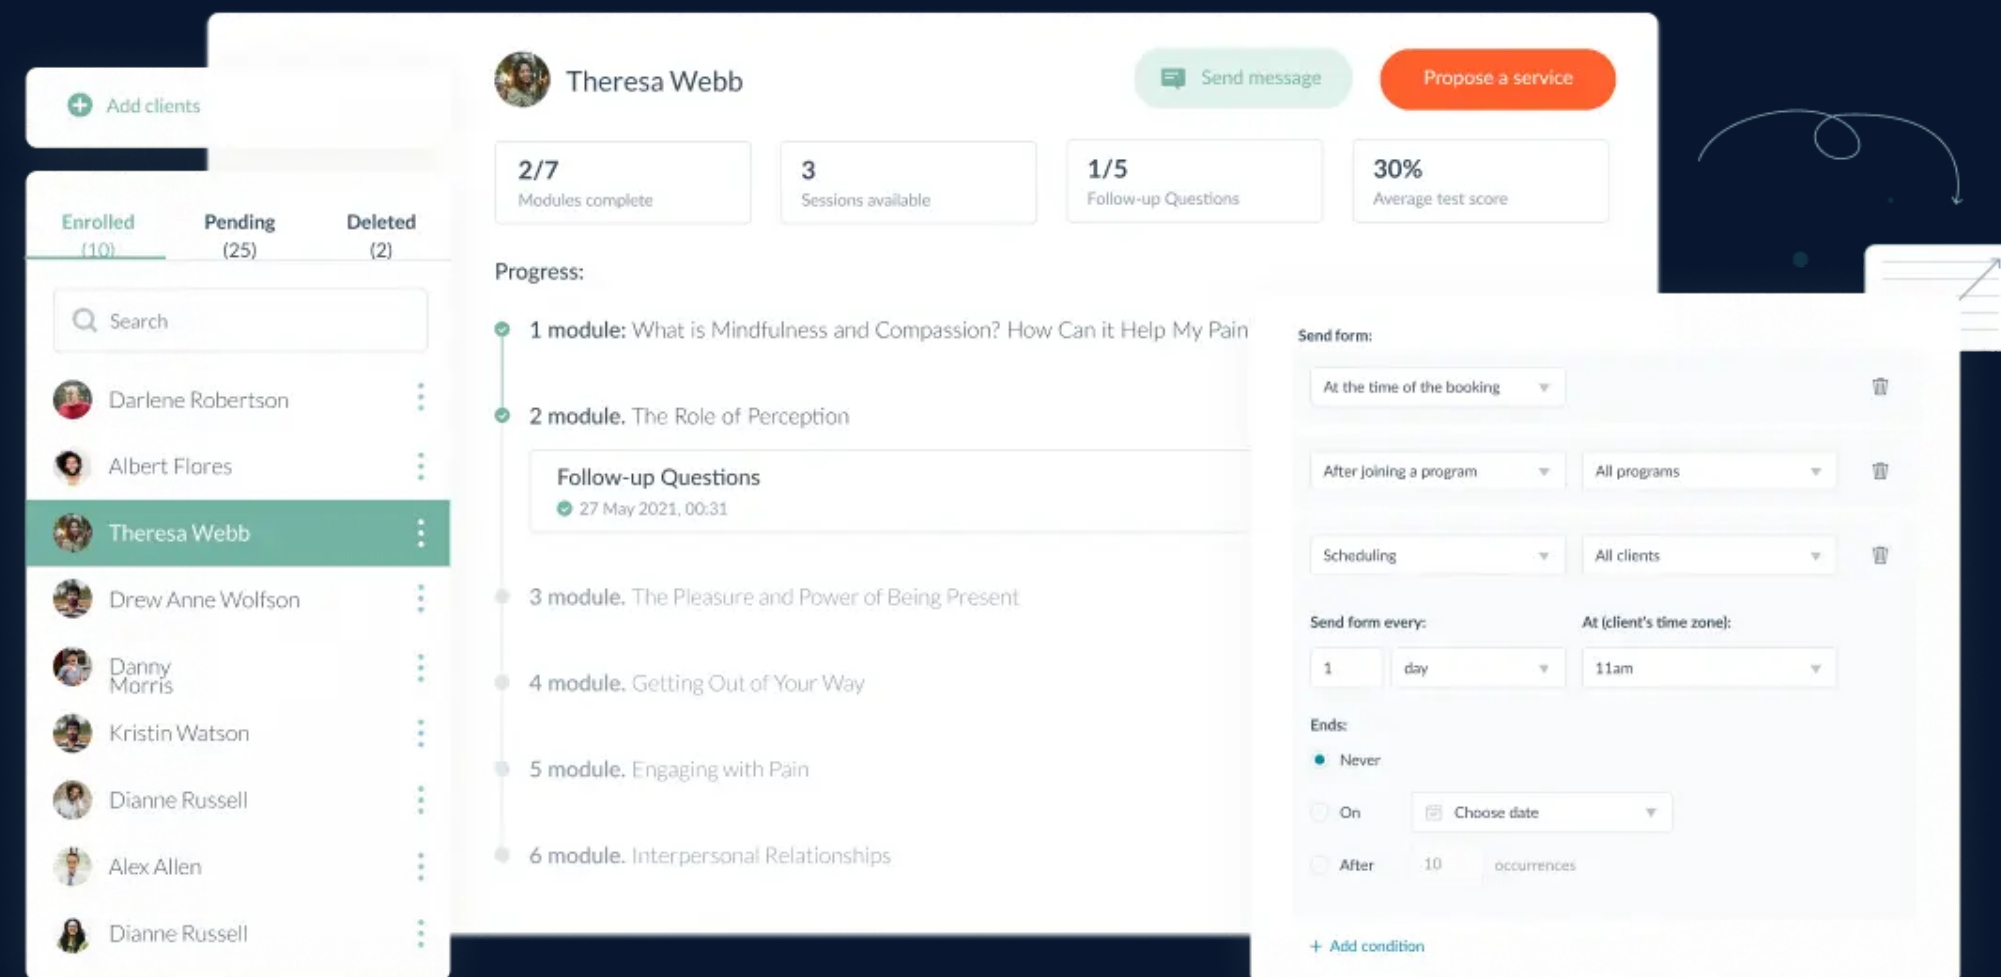

The Mission of Exponential Healthcare is to provide unparalleled healthcare technology that promotes the Health Potential of the individual.

In this new movement to democratize medicine, we believe that client education, meaningful interaction, and providing instant feedback on health parameters through Smartphone and Telehealth technology are key to empowering clients to take charge of their own health and well-being.

HOW DOES IT WORK?

As a practitioner, you will have access to a comprehensive wellness technology platform, which will support your clients in achieving higher levels of health, well-being, and wellness. The Exponential Healthcare Platform provides whole-person care from an integrative and virtual approach, making the opportunities endless.

"This is truly the beginning of a new era in medicine that is not only more personalized but also focuses on your longevity and quality of life."

-Dr. Paul Drouin
